

October Meeting

The October Meeting of Heart of the Heartlands was held October 11, 2017, at the Webb Center in Carona, KS. There were 14 members present. Minutes of the meeting can be found at the end of this newsletter. Members in attendance were: Joe Murphey, Jack Evans, Denzil & Ivan Voorhees, Kathy & Larry Spahn, Alan Chilton, Darrell Cave, Dick Rauniker, Shirley Ann & Jim Hogben, Tom Johnston, Joe Volmert & Brian Carlson.

Air Condition Filters

Two new filter boxes and grills have been installed on our ac/heating system in the new addition. The filters are located inside the building and are now much easier to change. This alleviates the problem of going outside and opening up the unit to get to the present filter. The new 14" x 30" filters are also much cheaper. The filter that was replaced is a one piece affair and costs nearly \$40.00.

Class of 1956 Ride

At 8:45 am on the morning of September 17th, members of the 1956 Pittsburg high school classes, along with members of the 1955 & 1957 classes, began boarding the train at the intersection of Elm and Monroe Streets in Pittsburg, KS. The day started out gloomy with heavy rain falling as the class members of 1955-1957 boarded the train. Upon the train's arrival at Carona, the heavy rain had let up considerably with only a few sprinkles falling. A total of over four inches of rain fell during the day. Once inside of the Webb Center, the group was treated to an Italian style meal of rigatoni in meat sauce, Italian sausages, green salad and Frontenac bread. The meal was catered by Pallucca's Deli and Meat Market of Frontenac. Kaye Lynn Webb hosted the get together for her former class mates. After the meal and during the train ride, many memories of the class were revisited. Several viewed the outdoor displays as well as the displays inside the Webb Center. The group returned to Pittsburg at 2:45 pm. Heartland members on the train were Jim McKeel, Denzil and Ivan Voorhees, Michael Sheward, and Bryson and Larry Spahn. Members at Carona to set up for the meal were John Chambers and Alan Chilton.

What is it?

This is an item that is currently located in the Carona museum. What is it?

Answer next month

Photos courtesy of Brian Carlson

Last Month's picture was the Electro Motive Corporation's model E-3 demonstrator #822 which was sold to the KCS as their #1, later #21. It was built in 1939 and retired circa 1964.

Slide Show

A slide show is being planned for October 28 at the Carona Museum. The scheduled time for the show is 11:00-5:00. Bring a friend or two and a snack.

Annual Meeting

The 2017 Annual Meeting of Heart of the Heartlands Corporation will be held at 1:00 pm, November 11, 2017 at the Webb Center in Carona, KS. Tom Johnston will be preparing the meat and each member is asked to bring a covered dish for the meal. Election of 3 board members will also need to take place. Board Members Darrell Cave, Jack Evans and president Larry Spahn have their terms expiring in December of this year.

Heart of the Heartlands Corporation Board Members, Officers and Term Expiration Dates

December 2017

Darrell Cave, Jack Evans, Larry Spahn, President

December 2018

Brian Carlson, Secretary/Treasurer, Alan Chilton, Connie Payton

December 2019

Tom Johnston, John Chambers, Vice-President, Bob Capps

Dewey Oklahoma Rides

Three train rides were held on September 23, 2017 in Dewey, Oklahoma. The rides were held in conjunction with the Western Heritage and All School Reunion that is held every year. The morning ride departed at 9:30 am, another at 12:30 pm and the last ride was at 2:30 pm. A total of 730 persons enjoyed the train rides. The 9:30 am ride was light with 181 persons riding the train. The 12:30 pm ride had 255 and 273 for the 2:30 ride. The weather was warm and pleasant. Staffing the rides were: Ivan and Denzil Voorhees, Jim McKeel, John Chambers, Mike Sheward, Brian Carlson, Jay Hastings and Kathy and Larry Spahn. Thank you to these members who gave up their Saturday to work on the train. Everyone that rode the train was very appreciative and we had good souvenir sales.

Grass Mowing

A big Heartland Thank You to Tom Johnston who came out and mowed the grass early in October. The grass season has lasted much longer than normal and Tom volunteered to mow one more time, hopefully the last mowing for the year.

Display cases

We have received a letter from the Springfield, MO group thanking us for the display cases and the loan of the Frisco train call board which is part of the Don and Oda Keeney collection. The group has ample room to display the board properly, while the item is still part of the Keeney collection.

Thank You

A thank you card sent to the club from the Deidre Spahn family was read thanking the membership for their thoughtfulness during the loss of Deidre. The board had decided to donate \$300 to the children's fund in Deidre's name.

Heartlands Web Site

Jim McKeel reports that the number of visitors to our site averages about 201 visits per day. The visits for September increased significantly, most likely due to the popularity of our trains rides that month.

Motor Car Ride

Turn out was a little low for the October 21 motor car ride on the Moline Sub. Jay Hasting's high rail and only three motorcars with 8 people made the ride. However, the small group made it easier to manage. Set on was at Burden around

Photo courtesy of Jay Hastings

8:00 am. After Daniel Archer obtained the track warrant, the group left Burden, KS around 9:00 am and traveled to Moline for a stop. They then continued on to Buxton where

it was decided to turn and head back west fearing the storms that were forecast to move in at 4:00 pm. A lunch stop was made and in Moline at the Swing Bridge Cafe. The group set off the track around 4:00 pm. Other than being windy the weather

Photo courtesy of Jay Hastings

held. A brief encounter with a few cattle out on the hill east of Grand Summit was one of many highlights on the trip. The cattle chose to walk down the tracks for about half a mile. There was a car from Broken Bow, Oklahoma, one from Joplin, Missouri and another from Idaho! We hope to schedule a couple of rides next year and restore a fun-filled and memorable tradition of Heart of the Heartlands. - Jay Hastings contributor

Photo courtesy of Jay Hastings

Photo courtesy of John Chambers

Thank You

Thank you goes out to Darrell Cave who donated the battery for the motor car.

Boston Depot

Discussion was held in regards to needed repairs on the Boston Depot. It was moved, seconded and passed to have Russ Green repair the rotten boards, repair the roof and paint the Boston Depot. It was also suggested that Russ Green look at removing the honey left by the bees of the past year.

Bailey Brothers

Mr. Bill Bailey and his two brothers accompanied Bill on his visit to Carona. They all visited the Carona museum on September 14 at 10:30 am. John Chambers was on hand to greet them and show them around our museum and displays. The Baileys donated several more items to the Heart of the Heartlands. Bill says that they have some other items that they may wish to donate.

Chanute Artist Alley Train Rides

Three train rides were held in Chanute on Saturday September 30th. The weather was cool and sunny as the trains crossed the Neosho River

north of Chanute. Prior to the ride, several members ran across an unexpected find at the annual book sale that is held in front of the Santa Fe depot. A large collection of railroad books had been donated to the library to be sold. Needless to say there were very few books left. The morning ride was light with 151 persons riding the train. The afternoon rides were both sold out bringing the total number of riders for the day to 696. Souvenir sales were fair. Members working this ride were Alan & Donna Chilton, Gordon Garrett, John Chambers, Denzil and

Announcements

- The model railroad group in Cherryvale will be having a display showing on November 4, 2017 from 1-4 pm in the former Leatherback Hotel in Cherryvale. The layout consists of railroads around and through Cherryvale. Stop by and take a look!
- The ATSF car #30 has been sold and will leave Cherryvale. Its next destination will be Winslow, AZ.
- 2018 Membership dues are just around the corner. Be looking for a notification in the next couple of weeks of the status of your membership dues. Please consider renewing your membership as we enter another year of preserving rail history in the four state region.
- Remember the 2017 Heart of the Heartlands Annual meeting is on November 11, 2017 at the Webb Center. The meeting will start at 1:00 pm, with an immediate recess to enjoy lunch. Each member is asked to bring one covered dish to go with the meat that will be prepared by member Tom Johnston. Hope to see you there!

Motor Car Repair

Ivan Voorhees has completed the repair work on the water hopper for the ST-2 motorcar. Ivan fitted the broken pieces together and placed a metal backing behind and poured molten lead over and around the pieces. Ivan also patched the holes on the bottom of the hopper. He then painted the entire hopper a hammered silver color. Joe Murphey has the engine out of the car and is working on getting it presentable for display at the Carona museum.

Discussion was held about prepping and painting the motor car. It was moved, seconded and approved to have the top & bottom of the car media blasted and iron paint applied to the car.

KCS 1023 in Action!

Jeff Cooney sent a couple of pictures of the KCS 1023 troop train from around 1944. It is not known for sure where the pictures were taken, but they made for a great discussion.

October 11, 2017 - Heart of the Heartlands - Minutes

The October 11, 2017 meeting of Heart of the Heartlands was called to order by president, Larry Spahn. There were 14 members present. The minutes of the September meeting were approved. [Darrell Cave/Alan Chilton]

Treasurers Report: The treasurer's report was presented by secretary/treasurer Brian Carlson. Treasurer's report was approved. [Alan Chilton/Darell Cave]

Old Business:

Class of 1956 Ride: At 8:45 am on the morning of September 17th, members of the 1956 Pittsburg high school classes, along with members of the 1955 & 1957 classes, began boarding the train at the intersection of Elm and Monroe Streets in Pittsburg, KS. The day started out gloomy with heavy rain falling as the class members of 1955-1957 boarded the train. Upon the train's arrival at Carona, the heavy rain had let up considerably with only a few sprinkles falling. A total of over four inches of rain fell during the day. Once inside of the Webb Center, the group was treated to an Italian style meal of rigatoni in meat sauce, Italian sausages, green salad and Frontenac bread. The meal was catered by Pallucca's Deli and Meat Market of Frontenac. Kaye Lynn Webb hosted the get together for her former class mates. After the meal and during the train ride, many memories of the class were revisited. Several viewed the outdoor displays as well as the displays inside the Webb Center. The group returned to Pittsburg at 2:45 pm. Heartland members on the train were Jim McKeel, Denzil and Ivan Voorhees, Michael Sheward, and Bryson and Larry Spahn. Members at Carona to set up for the meal were John Chambers and Alan Chilton.

Dewey Oklahoma Rides: Three train rides were held on September 23, 2017 in Dewey, Oklahoma. The rides were held in conjunction with the Western Heritage and All School Reunion that is held every year. The morning ride departed at 9:30 am, another at 12:30 pm and the last ride was at 2:30 pm. A total of 730 persons enjoyed the train rides. The 9:30 am ride was light with 181 persons riding the train. The 12:30 pm ride had 255 and 273 for the 2:30 ride. The weather was warm and pleasant. Staffing the rides were: Ivan and Denzil Voorhees, Jim McKeel, John Chambers, Mike Sheward, Brian Carlson, Jay Hastings and Kathy and Larry Spahn. Thank you to these members who gave up their Saturday to work on the train. Everyone that rode the train was very appreciative and we had good souvenir sales.

Chanute Artist Alley Train Rides: Three train rides were held in Chanute on Saturday September 30th. The weather was cool and sunny as the trains crossed the Neosho River north of Chanute. Prior to the ride, several members ran across an unexpected find at the annual book sale that is held in front of the Santa Fe depot. A large collection of railroad books had been donated to the library to be sold. Needless to say there were very few books left. The morning ride was light with 151 persons riding the train. The afternoon rides were both sold out bringing the total number of riders for the day to 696. Souvenir sales were fair. Members working this ride were Alan & Donna Chilton, Gordon Garrett, John Chambers, Denzil and Ivan Voorhees, Connie and Mike Peyton, Jim Hogben, Don Richardson, Bryson Spahn, Kathy and Larry Spahn. Daniel Archer was the engineer.

Motor Car Rides: Jay Hastings, NARCOA area ride coordinator informed John Chambers that the motor car ride on the Moline Sub on Oct 21st was still on schedule. For more details about the ride please read the September Newsletter.

New Business:

Bailey Brothers visit: Mr. Bill Bailey and his two brothers accompanied Bill on his visit to Carona. They all visited the Carona museum on September 14 at 10:30 am. John Chambers was on hand to greet them and show them around our museum and displays. The Baileys donated several more items to the Heart of the Heartlands. Bill says that they have some other items that they may wish to donate.

Motor Car Repair: Ivan Voorhees has completed the repair work on the water hopper for the ST-2 motorcar. Ivan fitted the broken pieces together and placed a metal backing behind and poured molten lead over and around the pieces. Ivan also patched the holes on the bottom of the hopper. He then painted the entire hopper a hammered silver color. Joe Murphey has the engine out of the car and is working on getting it presentable for display at the Carona museum.

Discussion was held about prepping and painting the motor car. Darrell Cave moved to have the top & bottom of the car media blasted and iron paint applied to the car. Alan Chilton seconded the motion and the motion was passed by the membership present.

Boston Depot: Discussion was held in regards to needed repairs on the Boston Depot. Alan Chilton moved to have Russ Green repair the rotten boards, repair the roof and paint the Boston Depot. Darrell Cave seconded the motion and it was passed by the membership present. It was also suggested that Russ Green look at removing the honey left by the bees of the past year.

Air Conditioning Filters: Two new filter boxes and grills have been installed on our ac/heating system in the new addition. The filters are located inside the building and are now much easier to change. This alleviates the problem of going outside and opening up the unit to get to the present filter. The new 14" x 30" filters are also much cheaper. The filter that was replaced is a one piece affair and costs nearly \$40.00.
